5 Ways to Minimize Wait Times at The Airport

After a long year of restrictions, it's safe to say travel is picking up! Exciting as that may be, it also means that airports will be getting busier. More people travelling equals longer lines, increased time going through security and even waits at the gate. In preparation for this busier period, Condo Travel Club has prepared this list of ways to make your airport experience as smooth as possible.

What Our Members Are Saying

Nashville, Tennessee

My husband and I have been more than pleased with the Condo Travel Club. We have been members for over 10 years, and have received nothing but great service every time we called for our travel needs.

In the Fall of 2019, we visited the wonderful Nashville Tennessee. Bailey Hilton was our agent and she was wonderful. Bailey was extremely thorough in the planning process and was sure to ask what we wanted out of our vacation to ensure she booked the right location. She was extremely knowledgeable and always had a smile in her voice. Bailey made herself available on several occasions when we had questions regarding our trip. She booked us a wonderful condo at Wyndham Nashville. What a beautiful place to stay. Our condo had every amenity needed. The property was so close to the Grand Ole Opry, downtown Nashville and the famous Ryman Auditorium, which were all places we visited during our stay in Nashville. It was a trip we will never forget.

In addition to that experience, we just booked an Alaskan cruise with Jason Katz. Once again, like all our prior experiences, Jason was extremely knowledgeable and more than willing to assist us in booking this vacation. He answered the many questions we had before settling on the Princess Cruise line. He couldn't have made this process go any smoother. We are looking forward to cruising on the Princess Discovery in 2022.

Norwegian Sun cruise to the Bahamas

Karen and Jason are pleasant, accommodating, helpful, responsive and always follow through with what they say they will do. I, like anyone who's had cruises booked over the last few years, have been having lots of cancellations and rebookings, and Karen and Jason have always been there to help with getting info, rescheduling and getting me prepared to go on another vacation. Let me tell you about the last cruise I was on and had a great time. I went on the Norwegian Sun with my wife and 3 kids for a 4-day cruise just to get away for a long weekend. The stops were in the Bahamas, and their private island was very nice. The excursions are well planned and very accommodating to young children. When we go on short cruises, we usually stay in suites with the upgraded dining options so the food was great and not busy for us at all. Overall, the cruise was fun and had good food and drinks. The stops were perfect and relaxing, and I will definitely repeat in the future.

RIU Santa Fe, Los Cabos

Jason Katz from CTC/Pulaski Tickets and Tours booked my family and me an all-inclusive trip to Los Cabos from May 16-21. We stayed at the RIU Santa Fe in Los Cabos. The check-in process was lengthy with so many people checking in at the same time. Nevertheless, the room we got was amazing; there was the view of the water from our balcony. The resort had 5 pools, and we especially loved the one in the middle located by the lobby and shopping area. There were lots of options for food at the different restaurants, and they provided entertainment for all ages throughout the day into the evening. We would definitely go back to this resort but probably choose a time when there weren't so many college-aged people.

Jason Katz also booked our rooms in Vegas in March along with flights. He is at the top of his game when it comes to his work. He provides feedback and prompt responses to inquiries, and he works hard to find the best deals out there. Thank you for doing such a great job so that we may take these wonderful family trips!
